

5 Ways to Pray for Revival

People are more likely to come to God when they're under tension, in transition, or in trouble. This describes our culture and times now! COVID has caused this. More people are experiencing these things now than in 2019. COVID has forced a lot of dumb decisions. Now is the time to pray for revival.

Below are 5 marks of revival adapted by Dr. Nelson Searcy from Rev. Jonathan Edward' *The Distinguishing Marks Of A Work Of The Spirit Of God, Applied To That Uncommon Operation That Has Lately Appeared On The Minds Of The People Of New England With A Particular Consideration Of The Extraordinary Circumstances With Which This Work Is Attested.*

1. Pray that a Post-Coronavirus Revival would begin with God calling "unusually large numbers" of lost/unchurched men and women to trust in Jesus Christ--raising the level of their esteem for Jesus--and be saved through Him with complete assurance that He is the Son of God.
2. Pray that a Post-Coronavirus Revival would disrupt the operations and interests of Satan's kingdom, causing men and women to forsake their sin and set their mind, will and emotions on godly things as found in the Holy Bible.
3. Pray that a Post-Coronavirus Revival would lead all Christians and even non-Christians to hold a higher regard for the Bible as the true Word of God in all areas of faith, culture, society and life.
4. Pray that a Post-Coronavirus Revival would awaken the ability of all people--especially Christians--to discern truth from error, right from wrong and light from darkness, and to speak out against what is contrary to God's word.
5. Pray that a Post-Coronavirus Revival would lead to a Holy Spirit manifestation of love for God and others--love between an individual and the Lord but also a manifestation of God's kind of love between all people in all places.

Will you begin to pray not only for a Revival but also make the five items above an expansion of that prayer?
